

Program	Item No.	Screen or Activity	Issue	Fixed in Version
RK	139	Assignments Report	Allow the dotted lines to be optional	3.1.0
RK	61	Assignments Report	Add an option for larger print font (for small children checking off their work).	3.1.0
RK	78	v2 Import	Search path can get "Temp" (or other lengthy text) in path when attempting to import HER v2 data. User cannot import v2 data. Workaround is found on our FAQ web page but this is now fixed.	3.1.0
RK	156	Assignments Report	On the Assignments report, same-day assignments, where main assignment is longer than one day, don't carry over to the next week (but the 'main' assignment does).	3.1.0
RK	175	Assignments Report	Change 'Done' underline to a box, darken underlines for Points Earned, Points Possible, and Minutes. Make "Days" optional.	3.1.0
RK	162	Transcript	In Courses form, if 'Part of Course' text is deleted, the course will not appear in Transcript (if hide-subcourses is checked).	3.1.0
RK	159	Calendar	Reminder alarm can change the event start date in the Calendar if the start date is in the past. Work-around was: delete the entry in "Remind Days Before" (Calendar) then fix the start date.	3.1.0
RK	138	Calendar	Can't show two students absent on the same day.	3.1.0
RK	174	Assignments/Courses/Calendar/MM/Course Planner/Reading List	Fields at bottom of screen still show text of the record you just edited when you switch to a new record. Takes extra clicks to "catch up".	3.1.0
RK	169	v2 Import	When RK user looks for v2 data, restart the program, don't force program to quit.	3.1.0
RK	171	Calendar	Selecting "Other" for "Remind Days Before" does not work.	3.1.0
LPM	173	Assignments Report (email)	"Attachment" is misspelled in the email text.	3.1.0
